Thread: [Eagle's signature space || Many impressions || Cheap pricing for everyone!](#)

Eagle 95 - February 3, 2017, 4:20 am

Hello and welcome.

I'm renting my signature space in either per week or per month. Here are some stats:

Spoiler ([Click to View](#))

I started wearing that on 18th September and wore it until 14th October. I precisely counted impressions for 6 days of wear and it totaled 3124 impressions according to that page. You do the math how much impressions is generated for those 26 days of renting. Let me save you some time, it's close to 14000 impressions! There's a lot of potential in there. Now, how much clicks and sales you'll get entirely depends on the quality of your banners or text you put into the signature. If you can't get at least 1 sale (which usually covers 1 week rent for this signature) to return your investment, then you're doing something wrong in marketing of that particular product.

Very recent reports (2020):

Spoiler ([Click to View](#)) Within 7 days (today is the start of 8th day), we generated over 5000 impressions/views.

7 weeks also but this time 7222 impressions/views.

Pricing is \$15 weekly and \$50 monthly. Payments can be made in BTC or Ethereum (ETH).

Terms of Use: Signature must comply with HF rules.

If you get closed or there is a deal dispute against you, the signature is terminated. I won't investigate the validity of the deal dispute.

You can change the content of my signature during the renting period.

I, in no way, vouch for the product nor the seller. I may deny your signature if it doesn't fit me in any way which also applies when you want to change signature content during the rental period.

Do not expect special treatment and staff protection on your sales thread. If I think something isn't sales trashing, then it isn't, end of discussion. If you give me hard time about this, I will terminate your signature.

You cover the fees.

All sales are final, no refunds. If your signature is terminated, no refund will be issued.

By having a contract with me you automatically agree to these terms and I can change the terms without any notice.

Edit: rented until 19th May.

Can I have a message/sentence in your signature instead of a thread/link? Like I'm not trying to sell anything but I want to rent your signature for advertising a message

As long as it complies with HF's policies, sure, why not.

Cheers.

Xeenon - May 18, 2017, 12:15 pm

This is undoubtedly one of the best signature slots you can order. Not only do you have your signature on a Staff member, but you also have it on one of the most trustworthy users' on Hack Forums.

Snatch this for the outrageously cheap price tag it has.

OT: How have you tracked your clicks? I'm interested in doing so myself.

2073436 - May 20, 2017, 6:14 am

Use imgur.com to track impressions and a google shortner to track clicks.
200 clicks per month? I believe you can do better if you post more often.
Best of luck.

(Feb 3, 2017 05:20 AM)Eagle 95 Wrote: [\[CITE\]](#) Hello.

So I decided to make this a sales thread. I'm renting my signature space in either per week or per month. Pricing is \$12 weekly and \$40 monthly. Payments are in BTC.

About the stats, I don't count impressions (which I'm sure there are many), I count clicks. My signature gets anywhere from 150 to 250 clicks, aka your potential customers, per month. That number highly depends on what you're selling. Money making ebooks are clicked the most.

Terms of Use: Signature must comply with HF rules.

If you get closed or there is a deal dispute against you, signature is terminated. I won't investigate validity of deal dispute.

You can change the content of my signature during the renting period.

I, in no way, vouch for the product nor the seller. I may deny your signature if it doesn't fit me in any way.

By purchasing you agree to these terms and I can change the terms without any notice.

I don't track them anymore because there were many weekly rentals. Different products mean different stats.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
