Wespa - February 3, 2017, 10:01 am

Thanks for sharing this.

It kind of looks like its half finished, the bottom part is completely empty, maybe put some price boxes or something there.

half finished? it's a template...

nice, OP.

Thank you so much for the input good sire

BluesKing - February 13, 2017, 4:28 am

Awesome work. Is it possible to get the font you used? :)

gigajew - February 13, 2017, 8:33 am

Not sure what it is anymore, sorry. But it should say in the PSD

calaxamotooo - May 28, 2017, 4:46 am

Might have to use this one. Thanks

JustHereForTheLols - July 16, 2017, 2:29 am

Looks great might use it, i will let you know how it turns out. Thanks
