Thread: [She almost died](#)

Magna imperium - February 3, 2017, 3:04 pm

I was away and one of the rocks that my tarantula has fallen on her.
However she seems to be fine, lets just hope no legs got damaged ?

Topkek

i r8 8 out of 8 m8 ?

Just watch her, make sure her legs are moving properly.

MeltyNet - February 3, 2017, 3:07 pm

Well glad you saved her life :) That would honestly be devastating.

yo that sounds cool

btw i think that the tarantula is throwing sperm all over the case

ilyes7557 - February 3, 2017, 3:14 pm

Im sorry idk why this i funny lel

Tid?es - February 3, 2017, 3:15 pm

You should have let that rock crush her to death.

you savage wtf

?ok3r - February 4, 2017, 1:25 am

You should eat the rock and then evict your tarantula and live in the box without any clothes on.

Grim - February 4, 2017, 1:27 am

Spiders are scary why you keep them in a cage :(
