Thread: [Giving away a copy of Space Farmers](#)

Hey guys

I've had this game in my steam inventory for ages. I don't have any use for it so I figured it was time to give it away.

The game is 9,99€ on steam.

Never played the game myself so I have no idea if it is any fun.

Unfortunately I only have one copy

Just send me a PM if you want the game though ?

No one claimed the gift as of yet.
