i thought money giveaways were banned ? are they allowed?

**Deany** - February 5, 2017, 9:45 pm

They're allowed but they have to be a minimum of \$5 in crypto currency only

**Tid?es** - February 5, 2017, 9:47 pm

Minimum of \$5. Giving away "\$0.05 to all ub3rs" is just an easy way to farm for rep.

That used to be a thing, in 2014 there were about 30 threads made a day by ub3rs and l33ts saying 'FREE \$0.05 TO ALL UB3RS AND L33TS', they would end up giving out around 5 bucks and gain like 100 rep
