Gonna attempt to get the new ones on the 11th, any ideas on how I can get them? Are there any bots that'll help me?

go to sneakerahead.ru, buy some fakes, and resell to kids at your local middle school as legit

congrats

First, start checking out some retail stores around you that will have them and see if they are doing "first come, first serve" or a "raffle." Secondly, download Apps like Footlocker, Adidas Confirmed and others. Enter the drawing there and that should improve your chances.
