I've seen their sales statistics. They have a lot of customers. They must be doing something right.

Do you know if it will cop multiple quantities?

No idea, I'm not a user, just know some people who work on it.

Yes you can cop multiple pairs, but you need multiple credit cards, and shipping addresses because huge releases limit to 1 pair per customer.

Yes. And you can cop multiple pairs.

Disclaimer: I work for them.

Tbh I wouldn't do it. Yeezie releases are way to saturated.

You cant cop multiple quantities on one account but you can cart 1 in every account you make.

Sorry to grave dig I am about to purchase but am wondering if it always cops supreme?

I got this bot a couple months ago and i have to say, it is pretty good, i have used many different bots like sole slayer, ycopp, aio bot, bnb aio bot, heated sneaks bot, supreme and bape bots. I am selling a whole bundle of all of them, and if you have a question you can ask me.
