Thread: [Need a few reviewers for money making method | Investment needed](#)

Isidar - February 7, 2017, 5:49 am

I am launching a product soon which actually works, and to prove it, I need some people to review it and who work hard. You will need an investment of around \$60-\$70, if you don't earn your money back from the investment I will PERSONALLY reimburse you else you can open a scam report.

Please, if you are lazy, or just don't give anything a try, don't bother posting.

Just let me know why you'll be chosen below please, and please don't PM me. Respect my wishes please.

Of course I am happy to reimburse as promised as I know for a fact you'll make your money back.

It's not blackhat, I don't deal with blackhat stuff.

Would love to do this if I had time right now. Sadly I'm quite busy in the next few weeks. So best of luck to you, sounds like you have something good going here.

K???er - February 7, 2017, 6:17 am

I can help you out, I have the money to invest. Can you tell me how many hours I will need to work onto this before seeing money?

Thanks dude, pretty sick of ebook sellers with some fake shit method with fake proof from "customers" when you do a little in-depth research into said posters, you can see they've had earnings from the same sellers previous ebooks.

Mine isn't an ebook per say, It's something new that's never been on the market, and what better way than to get some REAL proof from people I don't know whatsoever! and this is only one of the methods, a minor method of many which is so easy to do. I'm confident in the method, and that's why I want reviewers.

In fact dude, send me a PM and I got an idea.

It's pretty easy, maybe total in a day like 30 minutes? Nothing really hard or anything you need to do for the entire day.

Crowley - February 7, 2017, 7:44 am

Isidar - February 7, 2017, 7:46 am

(Feb 7, 2017 08:44 AM)Crowley Wrote: [\[CITE\]](#) Im interested in this OP.. how much would we have to invest?

Around \$70 bucks or so.

Would prefer ppl who would want to talk over discord :) easier to explain

Captain Morgan - February 7, 2017, 8:06 am

I am not within interest? :/

I got the 60/70 or however much I need to invest ready.
And Discord.

screams - February 7, 2017, 11:33 am

I'm also interested. Accidentally PMed you and then saw the last bit of the thread. Sorry about that.

Sakuto - February 7, 2017, 12:10 pm

I've written myself ebooks and I'm sure I could give an honest and full review as investing is not a problem for me.

Oh by the way, of course I'll do my best to try this method and try my best to get money from it. :)

CoSmlcScreaMz - February 7, 2017, 5:22 pm

If you are stilling needing people, I am willing to try this out for you/invest.

Arrogance - February 7, 2017, 7:40 pm

I could do this. Used to be an official reviewer, you will get honesty before anything so if I consider your ebook to be shit expect a review according to the quality. Willing to go on discord to talk about the details and whatnot. I see some people already posted before me but I figured I would still offer my genuine opinion.

Cheers.

Cameron - February 7, 2017, 7:42 pm

I would have closed it if I wasn't looking for more people..I'm still looking for some more applicants.

IPIKIN - February 9, 2017, 10:59 pm

I will happily give your method a shot. I may need a bit of guidance. After trying your method I will leave a full detailed review for your potential customers.

RBH - February 10, 2017, 6:09 am

Hello,

I am able to give your method a try. I have enough money to invest and I am willing to work hard to get it all working.

Only I don't live in the US so that might be a problem.

Isidar - February 10, 2017, 6:21 am

Gonna pick the last few members, seems theres hate because people don't get picked.

This is the real deal, better than any eBook or other mentorship stuff currently in the marketplace. This does take some labor and creativity to ultimately be successful. Isidar does guide you through everything you need to know, but at the end of the day you decide how much you make based on the work you put in

Tru Religion - March 8, 2017, 1:05 pm

Hey I am very willing and able to invest the money and have the time to try your method to the fullest, i am always interested in ways of earning money and I am willing to write a full honest review
