I sell a Oday in a wordpress plugin, the Oday is a RCE.

Price : 1k\$

Pm for offers.

Great detail. This makes perfect sense.

What plugin?

Why would he say it publicly? If you're interested in buying PM him.

whyclick - February 8, 2017, 12:59 pm

how many sites is the Oday on?

Prawnster - February 8, 2017, 1:01 pm

Proof?

If this is true (and you can show proof), I may be interested.

Also, how many sites are vuln (est).

Because he gave 0 information on the plugin. He didn't even hint to what the plugin does.

That's completely fine lol

What he should give is proof & est number of vulnerable sites for the RCE...
