Thread: [Password Recovery Project for sell !!!!](#)

Tee Plow - February 9, 2017, 4:33 pm

Hello everyone

I'm selling a Password Recovery Software.
it's never been released before and it's coded from scratch by me
The project is completed

Features :

- Send Logs Via Email
- Startup Install
- Startup Persistence
- Fake Message Box
- Open a webpage
- Anti VMware
- Mutex

here is a demonstration video :

[Video: <https://www.youtube.com/watch?v=KAJH3ngHCGk>]

Price :

i'm willing to sell the ownership of this project with the source code for 250\$

if you have any questions feel free to contact me

Contact :

HF PM or Skype

490kb

VirtualMon3y - February 10, 2017, 11:50 am

Good luck with selling this.. I can only say good things about Teeplow. Chilled guy and good coder.
GLWS.

Tee Plow - February 10, 2017, 12:05 pm

the project is sold !!

thanks everyone
