Thread: [Text SMS Spammer help?](#)

zakimah - February 10, 2017, 5:20 am

Hi guys i would like to spam someone with sms's for free without costing me any charges with my Mobile

I would like an Android app please thank you help me

Grimzyy - February 10, 2017, 7:53 am

Haven't seen any android apps but there are some paid programs on here that offer the same service. Take a look in the marketplace.
