Once upon a time there was once a child who was in a taxi and was singing like this:

Child:If my dad were a horse and my mom a mare, I was a little horse.

If my dad were a parrot and my mom a parrot, I was little a parrot.

And the choffer say so: If your dad was a thief and your mom a prostitute you would be.

And the child say this: I would be a taxi driver.

Thanks for the contest mate, would love to enter for a chance to be upgraded to Ub3r since I was approved a couple months ago.

As for making you laugh, I saw a quote from a comedian surrounding the Marijuana hype through the US/Canada and down here in Australia, it read:

They lie about marijuana: 'Marijuana makes you unmotivated.' Lie. When you're high, you can do anything you normally do just as well. You just realize it's not worth the fucking effort. There's a difference.

Another thing that made me laugh that I saw on Facebook; What did Donald Trump say to the birthday boy? "Let me see your birth certificate".

Depending on where you're from, our sense of humour may differ. ?

Thanks again mate!
