Fairy Tale! xD They're all the 12 zodiac keys that Lucy gets and plus the silver ones that she gets throughout the show!

Yup they sure did! Although I didn't grab any pictures of the booth. It was a booth completely dedicated to it :P

FMA is literally hands down my favorite anime. I've seen it at least 5 times over the course of 3 years. ?

I also have a the entire cast of FMA as chibi's. There was a stall that sold them in chibi form and I couldn't resist buying everyone :)

Mr. Robot - February 11, 2017, 4:18 pm

Naruto gets my support from me sitting through fillers. I'm not buying any Naruto merch other than their video games. Because those are badass

Hell yeah man I highly recommend going. I even have pictures of a bunch of different cosplayers. But that's over 60 pics. I might upload them to an imgur album

Do you just go up to them and ask if you can take a picture with them? I don't have the balls to do that lmao

Basically! And nah, no need to be embarrassed. In fact it probably makes them feel good when you ask!

At the time of the picture someone had knocked the set over. I later found the key underneath the couch!

User X - February 11, 2017, 10:01 pm

Kayoz - February 14, 2017, 11:38 am

necr0dr - February 14, 2017, 12:05 pm

The shirt is perfect, also FMA poster ftw. I've got an xxxHolic poster on my wall.

Levi - February 15, 2017, 8:19 am

I have a Kingdom Hearts set of keys just like yours, they look pretty. Good taste in figures too.

Its an abyssal (not sure which) from Kantai Collection. It's an online card game based off warships, but has a 12 episode anime adaptation and a movie, with a second season coming later this year.
