Thread: [Your signature space \[\[Paying with BTC & PP \]\] >< Uber/L33t/Everyone](#)

Wyatt Garcia - February 12, 2017, 5:37 am

I wanna buy your signature space for 7 days.

I will be paying with Bitcoin or PayPal. All up to you.

Please let me know your price.

The signature you will be wearing:

Code

[align=center][url=https://hackforums.net/showthread.php?tid=5548263][img]https://i.imgur.com/7NANaKh.gif[/img][url]/[/align]

Also if you're not upgraded member I can also buy your signature space if you post a lot but I won't be paying much. I will give you a different signature to wear.

Please post your price and I will PM you if I'm interested.

: My signature is actually HQ (well quality is little bit bad right now but might fix later) and is not against rules. I actually sell a working program too that is no BS.

I'll sell you mine for \$3/week, but I need to sell it for at least 1 month to make sense. I owe somebody money and if I can avoid having to buy BTC with my debit to repay him, I'd rather go that route. Let me know if you would like to proceed.

Thanks,
