I just bought two of these (97% gone). This is a Canon Authorized Dealer.

canon authorized dealers list: <http://downloads.canon.com/dealer/canon-ad-4-20-17.pdf>
<http://www.ebay.com/itm/201909093560>

\$299.99 - \$250 MIR = \$49.99

Includes Canon CLI-42 8 color ink (worth ~\$80 on amazon/ebay) + 50 sheet semi-gloss A3+ (13x19in) paper

Yup same here invalid.

Check the code OP? Maybe a misspell?

It's not a coupon code... It's a mail-in rebate.

It's a coupon code + the mail-in-rebate to get the \$79.99 price.

Coupon code is not misspelled, it's expired. At the time of posting the thread there was less than 24 hours left to use it.
