Thread: [Account closed for no reason](#)

tempman11 - February 13, 2017, 7:51 pm

I just tried to access my account and found that it had been shut down and repfucked.

I don't know what brought about this closure, but it's very shocking seeing as I didn't do anything outrageous to deserve it.

You can go ahead and ban this account too, but i'd like some closure on why I was shut down in the blink of an eye and removed from the site without any warnings, etc.

That was my account. Rest in Peace.

Per the trust scan (<https://hackforums.net/trustscan.php?uid=3358685>),

Your account was closed for "trolling" you've also received a repkill, I highly doubt you'll be back. Cya.

Out of the 100 upgraded accounts who do nothing OTHER than troll, my account gets wasted for nothing. Guess it's easy to stop appreciating people coming onto your website and buying an upgrade when so many people are doing it.

abuse of power? omnis site, omnis rules. simple as that. if you think its overkill, feel free to find a different forum to use, which you apparently need to do anyway.

anytime someone says that something happened to them "for no reason", its almost a given they're retarded.

Accounts are never closed for no reason.

Sorry, your account will not be reopened and any new accounts you make will be banned for ban evasion.

Their time will come. No worries about that. And in your brief 3 months as a member you've had 8 warnings for flaming and trolling.
