**Condoms** - February 14, 2017, 5:31 pm

I grew up watching Gumby and Doug.

**Nevieth** - February 14, 2017, 5:31 pm

Avatar the Last Airbender is always on repeat here in my house, that shit is fan-fucking-tastic.

I'd also sometimes go back and re-watch some KND, I loved the dumb Star Wars episodes where it was school buses turned into AT-ATs and it was a snow day which became Hoth.

**SIM-2026552** - February 14, 2017, 5:54 pm

Love how you have Ed Ed N Eddy on your list. It's definitely a childhood favorite of mine.

**chaosinblade** - February 14, 2017, 6:03 pm

I Used to love Samurai Jack but I can't believe no one mentioned Danny Phantom. It was great I can't believe they canceled it. I don't dare to watch it again though and lose the childhood euphoria I hold to it. Last time I watched Sky High with my little cousin all I could do was point out the errors.

**Dabby Duck** - February 14, 2017, 6:04 pm

xiaolin showdown, ed ed n eddy, dexter  
and of course, CHALK ZONE (on season 3 rn lol)

Have you read through the comics? It's not him old but it is based after the show ends. It covers Zuko and his mother.

Didn't really get into the comics tho but if they could make like another animated series of old zuko and aang together with like another enemy it was lit :D

Nah man the licensing and animation cost would be too fucking much for a short series.

I'd love for them to do that too, but it won't happen. Korra was probably the most we'll see of old

Aang.
