J?son - February 14, 2017, 12:16 am

I want to upgrade a few people to EPIC

Post below why you think you deserve it

Contest ends when I run out of money

Formidable - February 14, 2017, 12:18 am

Being only a few days old I cannot give you too many reasons as to why I should be fit to accept your hard earned money but here goes. I guess one could say that I am already pretty into the site, being only a few hours on the site I have found myself making new friends and have already completed my first deal. I do see myself being on the site alot and being upgraded would make the experience 10x better. As I said, I am new and you may be like 'who cares about this newkid' but I plan on staying and I hope you give me the opportunity to have alot more fun and a very cool title.

That is my application, thanks for reading

Scandium - February 14, 2017, 12:20 am

Hey Jason, idk if you're a stoner, but I am and I'm so high as a giraffe right now bro :) I would love to be upgraded so I can experience a new part of the forum. Thank you :) happy marijuana

D?ceived - February 14, 2017, 12:20 am

Healur - February 14, 2017, 12:20 am

I don't deserve to be upgraded, I add nothing to the community right now just here to use the marketplace & buy/sell items but I wanted to say this is great that your doing this for the community, god bless & skrrtskrtr.

Present - February 14, 2017, 12:46 am

I've been in this community for quite a while and I'd love that orange under my name. I'm sick of the green,

Oh and I also loved Starboy <3

Thanks for the giveaway, take care.

Invitation - February 14, 2017, 12:47 am

Well since I'm a newer member I can't really say I deserve it more than alot of the old-timers on this thread but I've done alot of giveaways during my month here and I plan on doing alot more very soon. Being upgraded would allow my giveaways to earn more recognition, as many people do not

give me the time of day just because I am a regular member. I want to make a name for myself on this forum and I don't have alot of money to upgrade myself, so your generosity would be greatly appreciated if you were willing to help me out.

Thanks,
Invitation

K.asp - February 14, 2017, 12:49 am

I'm here to say that paragraph above me means less than what I'm writing, just kidding props to the guy above me for putting in hard effort Lul

Micheal2 - February 14, 2017, 12:50 am

I would love to get upgraded to
because I want it from a very long time, I want some extra PM space so then
I can deal with members more easily, And Would enjoy valentine's day
with lot of happiness and share them with you all.

Tzuyu - February 14, 2017, 1:01 am

I'd love to get 3p1c for the additional PM space and the ability to post messages faster with a shorter cooldown period. Thanks for giving back to the community though!

ErwinRich - February 14, 2017, 1:33 am

I would like to have 3p1c because my only valentine is my ESO character which is depressing but also great since I am pretty good with it.

Gluteus Maximus - February 14, 2017, 1:37 am

I want to be upgraded just because I want that vac ban feature so badly to cure myself of the HF addiction which prevents me from buying it myself. :/

cokecaine - February 14, 2017, 1:41 am

I would like it for these reasons:

- Gauth 2-Factor Authentication account security
- Private Message box increased to 10,000
- Search flood limit set to 5 seconds
- Max Post Length setting is 24,000 characters
- Post flood limit set to 1 second (*additionally requires Ub3r)
- Private Message flood limit set to 1 second (*additionally requires Ub3r)
- Access to Trust Scan feature
- Can invoke a Self Ban
- Can use Country Lock
- Ignored members cannot view your profile
- 3p1c userbar image on profile

lol On a serious note, I don't have BTC so I cant buy it myself.

y.flicka - February 14, 2017, 1:43 am

I will do a video of myself singing in the shower if I get the upgrade

The GRim - February 14, 2017, 1:44 am

Poutine - February 14, 2017, 1:57 am

I have no idea if its worth getting Epic if I already have Uber.

D?ceived - February 14, 2017, 1:59 am

I got my epic from this user, much love for my valentine!

THC - February 14, 2017, 2:01 am

Would love to be upgraded simply because I can't afford it myself. Shitty financial situation gone worse, recently expedited by attorney & criminal defense lawyer fees :)

Plus it would be my only valentines gift. I have a depressing life :)))

Fortunate - February 14, 2017, 5:15 am

I really want 3P1C! I beg you!

I have been struggling with my PM space. Deleting PM's on Hack Forums is a pain in the ass and my inbox is always full.

I don't want to delete all of my PM's since they have valuable information to me. My current inbox is 97% full and I receive multiple PM's every day. Trust me, it's not fun to remove PM's every other day.

3P1C would grant me more PM inbox space and country lock, also I could finally take vacation bans and search the forum faster. As a writer I use the search function a lot and I hate to wait 25 seconds.

I currently have no BTC so I can't pay for it myself. 3P1C would mean the world to me, thanks.

Also, happy valentines day!

Princeton - February 14, 2017, 5:19 am

Awesome! thank you for doing this!

I've always wanted to get EPIC, I've been on HF since 2011, and use the forums a lot. I need the extra features provided for EPIC members especially the massive increase in PM space.

?eptic - February 14, 2017, 5:27 am

I will show you a magic trick if you upgrade me to 3p1c, trust me, you won't regret it.?

F?cqlc?? - February 14, 2017, 5:29 am

I think before I say.

Getting an Ep1c upgrade would be awesome honestly. I receive a lot of pm's everyday and there's some messages I can't delete because they are very important. Also, deleting PM's to make space is very annoying and time consuming. Anyways, thanks for the wonderful contest man.

Its Dave.

Anyway the real reason is because I would LOVE an upgrade and I feel I would benefit hugely off of the perks - but dont have the spare cash at the moment, cheers buddy and pretty generous what

you're doing.

Edit - Forgot to include about PM space, lol sounds so bad seeing as the guy you last upgraded mentioned this however, literally i'm normally sat at around 92% pm space and it's such a pain to keep going back and sorting my PMs out.

Groot_69 - February 15, 2017, 9:22 am

I would like epic.

I think I should get epic because I am a new person to the forums, having the rank will let me access and do more on the forums right away. 2. I will contribute my time and dedication to the forums and helping people out to the best of my abilities.

Thank You

spoofnodes - February 15, 2017, 9:27 am

@Dexter - February 15, 2017, 10:41 am

Who can deny a free upgrade?

I like your Pikachu and your good will lol

corcuff - February 15, 2017, 12:56 pm

I'm begging I really need more space. Jason if you were my neighbor I'd give you some brownies to you, my brother.

Upgrade me my brotha. I'd appreciate it so much.

EricCartmanGO - February 15, 2017, 1:50 pm

Well count me in mate.

After losing interest of other forums I stumbled upon Hack Forums and have been gripped to it for sometime. Although my posts do not represent that too well my activity is rapidly increasing and I'm looking forward to the time that I will spend here. An upgrade would really boost my love for the site, meaning that I'd visit more than I already do. Appreciate that you're hosting this OP.

Guessing he means, have you find the last person you can upgrade although you already stated you're waiting

CASTIEL - February 15, 2017, 7:47 pm

Would love this upgrade, would be nice to eventually have all the usergroups/upgrades. If i ever get accepted for UB3R (When I can apply).

Of course It would take me longer to get the money for 3P1C and UB3R (Broke as fuck lmao).

Why do I deserve this upgrade? Well personally wouldn't say my words on why would mater, but I am considering myself to be useful/helpful as much as I can, and i love contributing to the forums as much as I possibly can, even with many limitations.

Anyways good luck to all who enter!

Joseph Lane - February 15, 2017, 7:50 pm

Probably too late to try but an upgrade would mean so much to me. I'm a broke college student and just started trying to monetize what I do on here (homework help). I'm putting all my profits back into the 'company' and buying leet but not many people trust a non-upgraded account. I would pay right now if I could but i'm not in the greatest place (financially speaking). Anyways, I think it's cool that you're doing this and gl to me :))

It would would be great and I really don't know how I can payback to you

05317832892 - February 16, 2017, 4:28 am

I am very dank, very nice person. I frequently get a full PM box because im so popular and dank. It would also look nice on my profile. kabithx

UserNine - February 16, 2017, 4:40 am

Truth is, I don't think I deserve anything. But, if you would like to upgrade me, go ahead.

s?hane - February 16, 2017, 9:39 am

You should upgrade me because I've been here since 08-16-2010, I'm too cheap to buy it myself and I want another userbar because it will look pretty. Oh and your icon is Pickachu and I fucking love Pokemon I've lots of plushes lmao.

K???er - February 16, 2017, 9:40 am

Then I have the 3 donator rank on here, would really appreciate it if you upgrade me. Anyways, it's awesome you're doing this for the community babe. <3

Mafty Navue Erin - February 16, 2017, 9:52 am

Because I'm an active user that has been on this forum for almost one year now and because I don't have any money to spare online. It would be nice to have access to more features.

Saltpeter - February 16, 2017, 12:19 pm

?????s? - February 16, 2017, 3:15 pm

I just want it because I've been here for a while. Just can't afford to spend money on it.

Plus, Uber perm denied my High Quality ass uber.

Mr. Wallstreet - February 16, 2017, 5:21 pm

Hello,

I am posting to win the 3p1c upgrade. Below is a few of my opinions on why i think i should win.

I have done my fair share of giveaways over the years.

I help random people if and when i can.

This is my 6th year on HF!!!! Woo!

I try to be as HQ as possible but i am only human.

Thank you for this opportunity.

Kind regards,

The Wolf.

Prylec - February 16, 2017, 5:26 pm

If you choose me I'll send you a cute good morning pm everyday for a month straight.

<3

Mr.Cat - February 16, 2017, 5:29 pm

I don't deserve to be upgraded to epic.. i am a peace of shit and a waste of oxygen.. DONT YOU DARE DO IT! WHATEVER YOU DO DONT PICK ME

rsx - February 16, 2017, 5:30 pm

I don't deserve Epic, but I really do want it. I just want something other than this green name to be honest, the only green I like is green paper. I think the extra PM space would be nice, also I wanna get the self ban feature so I can get off this site for a couple days every once in a while. Thank you for the opportunity OP.

Yukino - February 16, 2017, 5:35 pm

I've been on this forum since 2015, and I didn't really know what my goal was back then, but now I'm highly active on this forum. Everyday I'm on.Had a rough day, but hopefully dad will upgrade me.

jammy47 - February 17, 2017, 4:15 am

I've been here since 2010!!!!!!!!!!!!!!!!!!!!!!

corcuff - February 17, 2017, 4:43 am

Jason I'm really gonna lose a big deal because of the need of more space. As you know I have to store some messages to keep them like proof just in case something goes wrong.

Leonardo DiCaprio. - February 17, 2017, 4:52 am

Entering to see if I win, my posts and threads are some what high quality. Never won anything online, probably never will. Anyway, good luck.

dnbest - February 17, 2017, 7:02 am

Jason your killing us with suspense my bro

Kristen - February 17, 2017, 7:08 am

No idea why I would deserve it, just joined here hoping to make my mark. But already annoyed someone to get this negative reputation.

Plugs The Plug - February 17, 2017, 7:16 am

I wish it was just general upgrades, not just EP1C. The upgraded members already have good extra features that us normal members don't have so it would be nice for some L33T upgrades. But anyway, that's up to you, great thing for the already upgraded members, good luck everyone :)

Sir - February 17, 2017, 7:44 am

Because I'm a broke bitch and my only chances of having EP1C is from a sugar daddy.

Techmech - February 17, 2017, 7:45 am

Need to post/ see posts that require epic.

Cereology - February 17, 2017, 8:22 am

I'd like epic for more PM space, have a beautiful signature and the ability to participate in the premium market.

ze-slade - February 17, 2017, 8:27 am

I think I deserve it because your client.c is broken and I helped diagnose that.
