This is amazing, Motusora.

TheVBScripter - February 16, 2017, 4:46 am

9/10!

I'd rate it 10/10 if it'd be faced towards the Rawr, so it looks like he just said he.
I love the colors, clean design, clear but bold text... really amazing!

Very appealing and very nice. I like how, what should I call it, how "well-done" it is. Amazing.

tl;dr all the replies, i really like that character, nicely done. Is it vector graphics(e.g. illustrator pen tool) or brush/pencil drawing?
