Got the vouch copy and read it today but had no time to post the feedback.

I think this method takes a bit of time, but worth it. You'll definitely get some nice pictures and you can even make some really good ass packs if you do your best.

I really think it's worth the price.

If you use your brain, this will be your gold mine.

I was fortunate enough to receive a vouch copy from Town.

I am in no way associated with Town.

Firstly i am going to say this method does work, And this will obtain you pictures you can use for e-whoring.

This method will take you time, but will get you pictures that you only have.

This method does work and for the price you are paying, It is worth it.
