Terms Of Service

Spoiler [\(Click to View\)](#)

Spoiler (Click to Hide)

1. WE ARE NOT RESPONSIBLE FOR ANY PART OF YOUR USE OF THIS SOFTWARE WHETHER AN OUTPUT GENERATED BY THE SOFTWARE OR THE SOFTWARE ITSELF.
2. All sales are final. There are no refunds under any circumstances, unless decided by me.
3. You cannot to share or leak this software. In case you do that your license will be terminated. You will no longer receive the updates or support, and a community alert will be opened against you.
4. Bitcoin is the main payment method. I will not go first, under ANY CIRCUMSTANCES. Full payment beforehand is required. PayPal is only accepted from members I deem trustworthy. I have the right to not sell to any member I want. Chargeback will result in scam report opened.
6. I reserve the right to change price/terms of service/anything at any time.
7. I do not offer set ups

Wolf of Wall Street - February 18, 2017, 12:55 pm

Looks pretty unique , gonna test this out. Will update when finished.

D?ceived - February 20, 2017, 6:58 am

Looks like a nice product, any vouch copies going?

AlphaIndustries - February 20, 2017, 7:39 am

Looks nice, does this http net require ioncube to setup ?

Yes it works.

Underrated™ - February 27, 2017, 7:19 pm

Seems like a quality botnet goodluck with sales!

Varane - February 27, 2017, 7:20 pm

Interesting product. I wish you the best of luck with sales.

Otis??????????????? - February 27, 2017, 7:23 pm

Good luck with sales. I'll take a further look into this later

Therm?!l - April 1, 2017, 10:31 am

Sorry I've been away, I'm always here to answer any questions!
