Thread: [Nintendo Switch OS Design leaked](#)

jvlzloona - February 16, 2017, 10:58 pm

youtu.be/ndL0las_nQs

the OS is neat. watch the video, it's HD. (not really HD, but clear ?)

Wow! I really like how they've designed that. Everything seems simple, and easy to navigate. I'm even more stoked for the Switch's release. Thanks for sharing this! ?

So... why should I buy one of these? (besides mario kart)

Zanwald - February 18, 2017, 11:24 am

Same user also did a complete unboxing.
