Mr. Robot - February 17, 2017, 1:34 am

So we decided to go through our really old emails history that google keeps- looking at around 2010-2011 and we find her googling pictures of taylor lautner topless lul

10/10 you should go back to your oldest searches.

Laughing my fucking ass off

Deany - February 17, 2017, 1:35 am

are you sure you didn't hack her email to check yourself? ? ?

Haha nah usually logged into her email anyway as she subs to a lot of channels on youtube.

Cylow - February 17, 2017, 1:36 am

But I delete it everyday xD

Levi - February 17, 2017, 3:06 am

2014 was a wild year.

Anubis - February 17, 2017, 3:09 am

Plot twist. It was your search query.

I can only imagine what I'd found. People would judge me definitely if they saw my search history.

loool laughed so hard thank you for this

jammy47 - February 17, 2017, 3:18 am

oh i checked my search history and it said necrophilia, how to make a bomb, gay porn, how to rob a

bank, gore videos, rape, fuck, bitch cunt and other good things.
