I think you misunderstood something, learn what addmefast is.

SIM-3446573 - February 17, 2017, 7:57 am

hey dude i had a similar script before but my account got blocked and im banned from making new ones, any idea on what to do

I made 1k points by now, that's not a lot, but since yet i had 0 problems. Send me a pm with your skype name and i'll try to help you^^.

PerfectStorm - February 27, 2017, 8:46 pm

Just want to say Finn came through for me. Cool dude ?

Troy - February 27, 2017, 8:50 pm

I will be Private messaging you for these scripts, i use to have a few bots on there but now they don't work thank you so much.

Hopsin - March 1, 2017, 3:32 pm

Can you provide proof that it works? Thank you, much appreciated.

Finn. - March 2, 2017, 12:56 pm

Sent you a pm about that.

<http://addmefast.com/>

Details can be found in their official website.

(Mar 2, 2017 01:56 PM)Finn. Wrote: [\[CITE\]](#) Sent you a pm about that.Thanks buddy, just downloaded just to have it in case (much appreciated). Although I am not using those sites for monetizing anymore, still very nice of you to make the contribution.

Have a nice day!
