Not trying to sales trash, but I think the price is a bit too expensive since its rather easy to build a fake/personal Snapchat. Anyways GLWS OP!

If you are offering any vouch versions of this, I would be willing to write a review. Might come back to buy later on:)

It's fine, what do you think is decent pricing for each of my plans? Thanks for the input.

You can easily grow 500+ Adds per daily using <https://findsnapchatfriends.com>

(but that'd only attract horny men) ?

But GLWS OP!

Thanks for sales trashing, these are obviously fake/bots. Mine are real people.

Interested. Do you have any discount for bulk order?

Do you have any panel?

Abel Tesfaye - July 26, 2017, 9:57 pm

Wait so you're not selling the method? I'm confused

Philip J. Fry - July 26, 2017, 10:01 pm

Hmm are you offering any vouch packages since you have had no one purchase yet? And many people are confused.

I'm also not sure if you're still selling this method because just like the rest of us, i'm also interested. hope you're able to clarify or update us please.

I don't know howthis is possible. Snap followrs done equal snap views

riekal - August 30, 2017, 7:08 pm

completely confused here. The title of the thread sounds like a method, but when you read the OP it seems like he's selling the output of said method (the followers/friends)

If you're still offering, I'll buy 500 or 1000 from you. PM me

Google.x - August 30, 2017, 8:24 pm
