Thanks for the contest mate, would love to enter!

As for making you laugh, I saw a quote from a comedian surrounding the Marijuana hype through the US/Canada and down here in Australia, it read:

They lie about marijuana: 'Marijuana makes you unmotivated.' Lie. When you're high, you can do anything you normally do just as well. You just realize it's not worth the fucking effort. There's a difference.

Another quick thing that made me laugh that I saw on Facebook; What did Donald Trump say to the birthday boy? "Let me see your birth certificate".

Depending on where you're from, our sense of humour may differ. ?

Thanks again! :) Hope you at least got a cheap laugh out of it, hahahah.

I don't really know any English jokes but here's a list of dumb questions lawyers asked in court

"How many times have you ?committed suicide?"
"Were you alone or by yourself?"
"Was it you or your brother who was killed?"
"Without saying anything, tell the jury what you did next."
"Was that the same nose you broke as a child?"
"Now, doctor, isn't it true that when a person dies in his sleep, ?he doesn't know about it until the next morning?"
