Thread: [\\$100 BTC giveaway Winner Announced](#)

SIM-3423769 - February 18, 2017, 9:27 am

Hello HF, back with another giveaway for the community . Last giveaway I decided to give two members 50 dollars instead of one since a staff member won the randomizer roll, this time I will be giving 100 to one member.

Comment why you deserve the 100, however results will be drawn through comment number randomizer , double entries will only be counted once and randomizer video results will be posted when the contest ends ; this contest ends on Friday.

If chosen as winner you will be receiving a PM asking for BTC address , once received you will be sent your 100.

To the users who neg repped me over not winning the last raffle ; you are disqualified from entering any of my future raffles.

Good luck !

Update : I have randomized 1-190 removing my own comments in the drawing, number 139 was selected, if you are 139 comment # you have been PMed asking for BTC address, congratulations and please provide proof once you receive BTC

Saint - February 18, 2017, 11:53 am

Hello first of all i would like to thank you for doing this, it's not everyday someone gives away this amount of money.

I am aware others are in need of it too but will still share with you why i would like to win.

If i would win the money it would go towards a day out with my GF who deserves it.
It would either go towards a present for her directly or it would be used for maybe a dinner.

Ofcourse i could just write up a story of how i have to pay bills and medication like half of these users will do but i like to be honest.

If the money would've gone towards useless shit i would've said so.

The money would mean alot tho, it would make 2 people happy instead of just me.

Goodluck to everyone participating and have a good one.

Viral Dragon - February 18, 2017, 2:53 pm

Inherently, there is always an issue of "tell me why you deserve it" type of contests.
Don't get me wrong, it's great you're doing them, but, in the end it just boils down to who do you like the most, or who is your friend, who's done the most for you, etc etc.

But, can anyone really say they deserve something without sounding like some righteous moral upstanding citizen and lying out their ass? No one puts in the negatives. They only shine the line on the very best of themselves.

In my case, I deserve it because I'm pointing out the flaws of this type of contest. I deserve it because I put up with the bullshit that has entered HF via the means of members. I deserve it, because I'm sick of tired of not deserving anything.
Does it sound cheerful? Does it sound like I'll spew anything to win some contest? Nah, it doesn't. Because that's the difference.

-Viral.

So if I pay for your dinner, does this mean I get to fuck your girlfriend, since it's really an anniversary gift from me to you both, not you to her? Genuinely Curious. (Obviously no seriousness in this all jokes lol)

I didn't win your other giveaway, but would like to post here to enter for this one. I would like to use this \$ for my transmission repair of my WRX. It really sucks and put a burden on my gf who has to drive/pickup me from work. And just asking for rides in general.

Apocryphon - February 21, 2017, 7:24 am

I would like to enter in this giveaway. You are a really generous member making all those giveaways dude, thanks a lot for that, you really support the community.

FiftyTwo - February 21, 2017, 8:05 am

Entering because I'd love another \$100.

Don't know if I'm eligible to participate (didn't see anything mentioned) but will give it a shot anyway aha.

Thanks for the giveaway and good luck to all.

u?op ?pisdn - February 21, 2017, 8:32 am

I would love to win this. Let's be honest, who doesn't want a free \$100 in life? I mean I don't really "deserve" it, but it would really help me.

niro - February 21, 2017, 8:34 am

I would love to win. I'm poor right now.

Thank you for this

Kruel - February 21, 2017, 8:38 am

I would really like it if I won, but I probably shouldn't because I don't actually need the money, there are plenty of users who could use it a lot more than me but if I do win it would be amazing.

samsepi01 - February 21, 2017, 8:45 am

I've been investing into crypto currencies; trying to get most of my money into it and hope it will go up to \$2k instead of \$1k or something aha. \$100 is more I can invest! Thanks for a nice contest.

Enzio - February 21, 2017, 9:06 am

Th3SiNz - February 21, 2017, 9:18 am

I don't believe I deserve the \$100 or any of the other users do. But I would be able to use the \$100 to pay for gas & food for about a week and it would help me catch up on a few bills I have fell behind on as i'm a decent amount of debt currently ive been trying to get out of.

-Th3SiNz

Effexion - February 22, 2017, 9:34 am

What, people negged you for not winning? ?

Well, I will enter with the same reason as last time as it still stands. We have 4 kids in this house (and I have another 2 elsewhere I am still financially responsible for). It is hard to describe how draining it is (two of our kids are 3, so I am sure you can imagine the stress they bring us. Along with an abundance of love, of course), but it really is and to the point of causing arguments between me and the Mrs.

A lot of this is down to us not getting any 'us time'. The 3-year-olds go to bed at 7pm, the 8-year-old about 9.30, so we get around an hour a night (bed early because of the tiredness the day brings, and what the next one will bring) for ourselves. We never get much time to go and do things with each other because of the inability to afford a babysitter on top of the cost of a meal out. I would use this money to pay a babysitter that is known to us (about £20) and the rest will go towards a surprise meal.

I am sure there are so many people more deserving of this, but I couldn't just not try. Good luck to all else entering.

Pain - February 22, 2017, 10:38 am
