Thread: [Battlefront Ultimate Edition Xbox One - \\$19.99 - 24 Hour sale](#)

While this game was a letdown compared to what most of the fans were hoping for (A modern version of the old Battlefront II) the game is still a lot of fun, and for \$20 (Half off retail) you cant go wrong. Sale is only live for 24 hours.

Sucks that the sale is over. It's now at \$37. Not a bad price, but hoped I could've snagged it at the \$20 price point.
