Thread: [METHOD TO SAVE ANYONE'S SNAPCHAT STORY](#)

oui?? - February 19, 2017, 5:41 pm

This isn't a huge deal, but if you're a creep or some shit then be my guest and request this method.

This method is simple and allows you to save people's snapchat story posts WITHOUT having to jailbreak.

To my understandings, I don't think many people have found out about this.

PM or reply to receive this.
