J?son - February 20, 2017, 4:22 am

omg hi guys i want to upgrade you to EPIC again, up to 4 winners will be chosen

comment below why you think you deserve it

contest ends sometime next week (whenever bitcoin unfucks itself)

Gamwthnmanasou - February 20, 2017, 4:23 am

I deserve to win this because i love you and you love me.

Plus i posted first.

fapninja - February 20, 2017, 4:23 am

Because I'm just an awesome guy who deserves lots of nice things for free.

Vishnu™ - February 20, 2017, 4:28 am

I don't deserve to win this

but if i get l33t it will be helpful to me so that i can create threads in currency exchange forums.

Thanks for this giveaway tho !

Hydraxus - February 20, 2017, 4:41 am

Hello Jason,

First off I'd like to thank you for giving me the opportunity to do this. I'm interested in taking on the upgrade of Ep1c to increase my PM space here on HF. I've only recently purchased L33t, however will be purchasing more awards soon enough. Purchasing Ep1c will no doubt be my next step, although with this opportunity I am able to essentially purchase more awards and donate to our beloved forum even more. I post relatively often, and try to be as helpful of a user as I can. I've contributed with 2 giveaways through my time here on HF so far, and will most definitely contribute with more as time passes. Thanks again for the opportunity bud.

Saltpeter - February 20, 2017, 4:42 am

Not sure if I deserve it but I try to be a helpful user in general on many forum topics. Ep1c would allow me to continue doing that with a few extra features.

Either way good luck everyone.

Micheal2 - February 20, 2017, 4:42 am

I would like to get upgraded to Epic Jason

Was waiting for it from very long time, and I

think I deserve it because I am a member of this

community from last 3 years, did lot of deals and I will

be HQ and honest always.

Constantia - February 20, 2017, 5:17 am

I'm just a nice girl who is active on HF. Kawaii avatar btw ^_^

tnx

Fortunate - February 20, 2017, 5:18 am

Jason upgraded me in his previous thread.

Good luck everyone!

SIM-3247471 - February 20, 2017, 5:18 am

I think I am EPIC and thats why I deserve EPIC.

Goodluck everyone.

HOMODIN - February 20, 2017, 5:19 am

Nice contest mate! :D

The only reason why I think that I would deserve it is because I'm here to help out as much and well as I can (going to get an upgrade anyhow but can't afford it at the moment).

King of Clubs - February 20, 2017, 5:22 am

Hello,

I deserve this because I've been a member for a long time and I always browse the website and invest so many hours into being here. I also got permanently denied Ub3r so an 3pic upgrade would be totally amazing for me.

Thehackerguy1 - February 20, 2017, 5:22 am

I will give you this rose and thank you for the upgrade ?

Spoiler ([Click to View](#))

(Edit)

Arrogance - February 20, 2017, 5:23 am

Your pikachu avatar actually gets me everytime I see you on a thread. I could really use an 3p1c upgrade, after all these years I think I deserve a lil bit of love.

vJFo - February 20, 2017, 5:25 am

really nice of you OP,

I don't 'deserve' it but I would really appreciate it, I've been a member here for quite some time and the longer I'm

here the more I realize that a lot of people shit post or don't take things I post seriously or flat out ignore my help due to me not being upgraded onsite. that being said, it would help my experience here on HF a whole lot to be upgraded, and either way thanks for the opportunity!

ZenLove - February 20, 2017, 5:29 am

Because I did not win last time! come on man you didnt even acknowledge my last post :(

Mr.Cat - February 20, 2017, 5:31 am

because my mommy told me that I am very important and unique

but honestly you should upgrade "vJFo or Enviuse".. they are here from 2010-11 and are still regular members

D?ceived - February 20, 2017, 5:32 am

Got this in his last thread, he is my valentine now!

Poloniex - February 20, 2017, 5:45 am

Posting to enter. I think I deserve it because I have helped many people on this site

F?cqler - February 20, 2017, 7:07 am

K????er - February 20, 2017, 7:13 am

The 3pic userbar is awesome and so are you ofc, I will love you if you upgrade me to 3pic. My goal here is to help people as much as I can.<3

Anubis - February 20, 2017, 7:14 am

Is it possible to get a gift award instead of epic?

?????s? - February 20, 2017, 7:15 am

I'd like more space on my inbox.

It gets tiring trying to figure out which PMs to delete and keep.

So that is why I'm entering this contest. :)

And I'll be a 8 years on HF in April :)

ChaosComputerDude - February 20, 2017, 7:16 am

i would say i deserve it because im fckn awesome !
thx for the giveaway dude !
gl to all

Aese - February 20, 2017, 7:38 am

idk if i deserve it but i do my best to help people and im active on most of the forums.

i hope i get it

spoofnodes - February 20, 2017, 7:40 am

I'd like an ep1c upgrade, just because I really like hack forums, but i dont have a rank on it, which bothers me lol.

I try to be as HQ as possible, but got finessed by some kid for currency exchange (where i was gonna buy l33t)

LogicGeek - February 20, 2017, 7:49 am

Probably the same reason as in all the other threads, I just want to have more PM space. But it's just really cool to be in either of these groups. They bring along good features.

I am an active member which wants to become more HQ in the Hack Forums community.
3pic is nice but I don't have omnicoins and I really want the extra features that 3p1c has
To feel 3pic ;)

Troep - February 20, 2017, 7:50 am

I need this because: Jason is the name of my Grandpa

Agent Raigar - February 20, 2017, 7:52 am

It takes too long to wait 30 seconds between PMs. I would love to get upgraded since it would help me with my service, thanks!

MAKINO - February 20, 2017, 7:53 am

life here sucks when youre noob status. anyway, im still staying here after that, so if ye need a favor just holla.

Germany69420 - February 20, 2017, 7:54 am

I would like to be upgraded to EP1C because i'm tired of deleting my PM's which cost too much time and you know time = money ?

corcuff - February 20, 2017, 8:02 am

I deserve it because I'm really running out of space. You fell me, Jason.

SocialAgency - February 20, 2017, 8:02 am

Would love to get upgraded. My PM box is always full and all my deals are trough PM and I would like to keep them if something happens.

Also I tried upgrading myself but payment didn't get confirmed and got refunded. Still lost around 2\$ by fees.

Thank u

Nate - February 20, 2017, 4:29 pm

I would like an upgrade to 3p1c mainly because, I would of done it myself if I still had the free funds as I used to. I donated much to this site, and now that college hit me with loans and everything. I don't have much money to lend to Hackforums, I've been on this site for little under 6 years, and I think would be a great applicant.

Charger - February 20, 2017, 5:05 pm

Because I have never entered a contest.

Justin_Bieber - February 20, 2017, 5:07 pm

posting to enter

I deserve it because I'm freddie mercury :)

Prophett - February 20, 2017, 5:11 pm

I think I deserve it because of my genorous contributions. It frustrates me when I receive a time limit when posting soon after another, which is why I would like to be upgraded. Thank you for the opportunity.

CULTSWEGMAFIA - February 20, 2017, 6:44 pm

i'd like epic for the PM space, as I always have to clear out my pms and it gets annoying. 10,000 PMs or however much it is would be great.

I also don't want a time limit for pms.

Chomped - February 20, 2017, 6:45 pm

I think I deserve this because I also give back to the community. I believe I am very helpful in the IG community sharing some of my knowledge to help others. I will most likely do my own giveaway after this as I love giving back to this amazing community. Thank you for the opportunity:)

CodeineCrazy? - February 20, 2017, 6:46 pm

I just bought ub3r and I want to start back up on HF and after 7 years on HF this would be amazing !

J?son - February 20, 2017, 8:23 pm

Baby I don't deserve it, I never will! I'm a fucked up man/woman who's done horrible things in my life and I should not be given any charitable chances D: Please do not upgrade me to Epic because if you do, I won't be able to live with myself :(:o :'(

I deserve this.

Im a HQ meme

komarkaze - February 21, 2017, 11:22 am

I like pie. I think that warrants an upgrade for me.

idalistrades - February 21, 2017, 11:26 am

I guess I will post as well, epic doesn't hurt!

Apocryphon - February 21, 2017, 11:28 am

donados - February 21, 2017, 5:03 pm

I want to win because I like winning :p

Weebex - February 21, 2017, 8:35 pm

I'll never be a great ub3r like you. I don't deserve your upgrade. I don't deserve your kindness. I don't even deserve to be in this contest.

Good luck!

rsx - February 21, 2017, 8:39 pm

I don't think I deserve epic, let alone more than anyone else, but i'd love to have it. I've been trying to help people out and be active as much as I can. I'd love epic because I hate the green username that comes with leet and i'm not eligible for uber yet.

Thank you for the giveaway

Mr.Peanut - February 21, 2017, 11:54 pm

Oh shit it's highkey lit. I hope I win this contest, posting because you never know. I've done a LOTT of giving back/contributing to the site (in the past) and it'd be nice to win this. Best of luck to all members, thanks op! Sweet contest!

Tree of Life - February 22, 2017, 12:47 am

I'd love to win an upgrade. I deserve it as i'm a nice person, caring, always up for a chat and laugh, i'm helpful and honest, I enjoy giving back to the community.

Good luck to everyone who enters.

Sir - February 22, 2017, 1:57 am

I've been a member of this forum for 6 years and have still never won a contest.

That in itself should be reason enough.

Please put an end to my misery.

;-;

SocialAgency - February 22, 2017, 5:22 am

Would love to get some sort of security to my account.

Country lock would be good.

Don't want to loose my 2015 account :C

Lexy- - February 23, 2017, 7:56 am

You don't need L33T before 3P1C, right?

If so, I'll gladly enter! :)

Thanks for the opportunity.

Good luck to all else who entered!

EDIT: I don't deserve it. No one deserves a handout for free, no one can convince me that. Though it's nice you're doing this.

J?son - February 23, 2017, 6:11 pm

wow worst time to host a contest amirite

05317832892 - February 24, 2017, 12:50 am

I'm very HQ and post a lot in Python section, would like it very much.

MightyOne - February 24, 2017, 12:55 am

I don't have a lot that I gave to the forum yet to prove my deservingness to be upgraded freely by you, but I can prove the fact that I'm a good person and hopefully that will convince you :)

I have volunteered in M.D.A for 3 years which is a life saving organization in my country just like Red cross or any other organization, saved a few people's life and obviously helped a lot along the way for less injured and hurt folks I've encountered.

also, I have been for 3 years in the army, first as a soldier, a paratrooper! and eventually also a shooting instructor.

I'm trying my best to be a good person, kind and always fair to others.

and once I'll be able to I also have a few cheap steam games gift I have left in my inventory to giveaway for this nice community, and will try to be helpful along the way while I'm here. :)

I hope that changes any how the way you think of me, and if it convinces you to be kind enough to upgrade me.

Thanks a lot and good luck to all other participants !

I also have a few giveaways I want to conduct for steam games but since I have no rep and no upgrade I can't post it anywhere, but once I'll do I'll start share as well!

Slightly. - February 24, 2017, 1:28 am

I don't have much to say about why I should get the EP1C upgrade. It would most certainly be nice! But I haven't contributed much to this forum, unfortunately. ?

Frankey - February 24, 2017, 1:29 am

I think I deserve EPIC because my inbox is almost always full and I'm too lazy to delete them. Also posting is a hassle because I have to wait 30 seconds :S Is a pain in the ass with 4000 posts.

Motusora - February 24, 2017, 1:30 am

I deserved this because I'm HQ ?

J?son - February 25, 2017, 3:36 am

Winners have been chosen!

Congrats to Mr. Peanut, Starstruck, Medd, and Nate.

Enjoy the upgrades!
