Thread: [Staff Only Giveaway \\$150 BTC Winner Announced](#)

SIM-3423769 - February 20, 2017, 9:28 pm

As I do weekly giveaways for the community , and my first giveaway landed on a staff and I decided to grant two winners because of this instead of one, I decided to do a Staff only giveaway since I understand the reason a lot of people think it's unfair staff with normal giveaways.

So like the title says , if you are staff, comment on why you deserve \$150 BTC. Since there is only 6 of you, we can make this a little fun , or do the traditional randomizer with video result!

P.S- to the non staff on site, I host weekly giveaways of multiple hundreds of dollars to users so don't complain, you can enter my other one's weekly!

Comment away!

Update: since only two staff have entered as opposed to all, I decided I will just split the winnings in half and give them both equal amount, so Minimalist and Skorp , congrats on each winning \$75 , please send BTC address and I will send once received

Syphonite - February 20, 2017, 9:30 pm

You may as well just spend \$150 on awards. That helps them out more than it would an individual person.

Motusora - February 20, 2017, 9:31 pm

i am posting in behalf of omni

Hydraxus - February 20, 2017, 9:39 pm

I guess it is now , trying to get atleast 4 or 5 of them involved and make this a little friendly competition for it, maybe have the public vote in on a joke told by a staff member or something like that, should be fun!

YinYang - February 20, 2017, 9:42 pm

I doubt many will enter, but this is still super nice of you OP.

My bet is Skorp and Minimalist will enter, but nobody else

Believe it or not got it for free , check the DMV database almost everyday hoping for two char plates to become available, I've claimed well over 3-4 crazy NY license plate names.

damn that's crazy aha, do you know if it's worth anything?

Somebody I know got their last name (5 letters) and it cost them £7k~
I guess that's different because it's a name

Jesus they overpaid , i saw on the road A license plate in NY on a phantom driving into a pretty high end shopping center , I jokingly unrolled my window and asked how much the plate was , he said well over the car my friend and he cracked up. Dude had easily a half a million dollar license plate on a half a million dollar car.

fuck me

He got a knock on the door a couple of months ago, somebody with the same last name wanted to pay £10k for it, he stupidly declined

maybe it's different here in the UK

Easy win for Minimalist ?

Onii - February 21, 2017, 4:11 am

great idea, i don't think they even get paid for the work they put in

DonD - February 21, 2017, 4:12 am

Haha nice thing to do for the staff only :D

Not sure ive ever seen a contest actually only letting Staff/admins enter haha, very nice :D

Eagle 95 - February 21, 2017, 7:45 am

If you want to donate to staff (global moderators), that's 5 of us. If you want to donate to Omni, then go and buy some awards for yourself. IMHO, you should make a random list of 5 usernames (or 6 if you want to include Omni), and by using random.org, generate a winner.

Thanks for hosting this.

Hydraxus - February 21, 2017, 7:46 am

OP you should honestly just give each of the staff members \$30. That's pretty fair, and everyone wins. But nonetheless, you are very damn generous. Never seen anyone like you before.

TRAUMA - February 21, 2017, 7:48 am

Sent a PM to a few staff members for ya :)

2073436 - February 21, 2017, 7:49 am

Oh my god.

Same thing as saying "giving out free gfx only to ub3rs" (because they can +3)

Right..

85% of the people who enter my normal giveaways can give away +3, you're point is really invalid lol , only doing this because I don't allow staff to win my normal giveaways.... congrats on being the only neg rep i received since 2011 lol

I second this OP, get them online and compete on something and winner gets it, I suggest a singing contest with random unknown songs (be generous and let the lyrics show as they sing), sum the total votes for each of them and they win a % of the 150\$ depending on their % of total votes.

Thanks for hosting this.This is probably the best idea, no need to wait untill they post, you see what you've gotten already. Unless you want to open it for mentors too, there basically staff. Then maybe more will post.

SIM-3386033 - February 21, 2017, 1:02 pm

Why do I want the money? Because it is free money.

Ultra Instinct - February 21, 2017, 1:56 pm

Since there's about 6 staff members or so, you should just split it. Everyone gets an \$30.

Windows 98 - February 21, 2017, 1:59 pm
