(Jan 26, 2017 09:11 PM)CKkio23 Wrote: [\[CITE\]](#) i received Mr Meeseeks E-whore Beginner guide. and i got to say if your new to Ewhoring and need a guide to set you up then this is it.

For only \$5 what you get is

Android setup, Ewhore pack & Apk for android.

you can also verify that girl your using!

also includes a way to spread and get clients.

And let's not forget getting paid. :)

This guide is easy to follow and setup doubt you will have any trouble setting this up ?

This is a steal Mr Meeseeks ?

This is the best \$5 you'll ever spend!!

Vouch for Mr Meeseeks

This package contains the perfect start in the world of e-whoring.

And it perfectly priced 5€ i know you can earn this back in no time.

This setup is indeed andriod based with a perfect guide line.

The support is great , i you have any questions Mr Meeseeks is ready to answer them .

Overall great method if you are a starter in the world of e-whoring.

Thanks for letting me test this package!

Kind regards,

Sales proof after one day (In spoiler)

Just bought this package, will update the post once I have received it

Edit: user said his paypal isn't verified, so he can't send me the package after I paid. Will update this post.

final edit: user refunded as paypal wasn't verified.

Sorry I have been away for awhile, this is still up to date because the methods being used are not saturated, and you can get a decent amount of money depending on how much time you spend.
