I thought so, I guess this was way harder than the previous one.

Yes, normal members can have avatars as well.

**Phire** - February 22, 2017, 1:58 pm

## Can you recognize these HF members by their avatar?

**Nerdi** - February 25, 2017, 10:05 am

There should be a poll option for: All Hints Used, Score = 0

Today I learned that I need to start actually looking at avatars... I hardly glance at them

**630** - February 25, 2017, 10:07 am

I feel that I did pretty good. Was able to successfully guess 1/10 of the avatars.

**Vitani** - February 25, 2017, 10:08 am

The only one I didn't recognise was famoushater, simply because I have never had any contact with this user.

Really original thread OP, you should make more of these!

**Hinata Hyuga** - February 27, 2017, 2:20 am

**Mom** - February 27, 2017, 4:59 am

[Can you recognize these HF members by their avatar? #3](#)

**theChive** - February 27, 2017, 8:23 am

Orgy, FamousHater, xadamxk, and Mr. Robot.

I have no clue who any of the others are...

Edit: I looked at the names, and I recognize more, just don't recognize their avatars. They must have changed them recently.
