Thread: ["Rep Farming" - allowed?](#)

(?°?)?(???? - February 22, 2017, 2:33 pm

There's a user that has 6 pages of +3s given out, all with the same message (a question), all to ubers. Is this considered rep farming (I couldn't find anything in the [Help Docs](#) talking about it but I've seen people get RKO'd before for it).

If you know who this user is, please don't post his link here as I don't want it to be a witch hunt.

Yes it is.

Misread your question, no it is not.

seems odd that all intervals are right after eachother, even if i was to do that i couldn't do it in under a minute maybe it's some sort of script.

How does someone give 4 +3's in the same minute? If you're gonna use a rep bot at least make it look believable lmao.

Yes it is... as in yes it is not allowed? My main difference between that and the one you linked is the fact he mentioned "green apples" (in Robot's post).

Are these given to upgraded accounts? If so, it's obvious it's because they want rep back.

I don't know if it's allowed but the person 3 has open scam reports, and he is rep farming so he can scam more. Sad.

Yes they're all given to ubers.
This is just one page of responses.

You should put link here and Omni will come and close him at his free time.

Anubis - February 22, 2017, 2:39 pm

Yeah I know that guy. He repped me as well.
Also another member made a thread about him.

Some actions need to be taken.

I've met another guy as well who does that.

I just hope Omni sees this. He'd be repfucked definitely.

I'm closing this as there are enough responses. He's easy to find so Omni can make his decision.
Thanks.

Thank you for reporting.

While I don't yet have anything in [Help Docs](#) about "rep farming" it appears that I may need to do so. It's obvious that this is abuse of our reputation system.
