Enjoy!

Post your address below and you will receive 0.0043BTC (\$5 at the time this thread was posted)

I will send all 50 at once as soon as there are 50 posts.

This is allowed, as I am sending \$5 (0.0043BTC) which is the minimum for giveaways in this section.

I haven't been active, usually I contribute often to the crypto section, I think this is a good way to repay the community for my absence :)

People who are blacklisted from this giveaway:

- Incapability - Reason: <https://hackforums.net/showthread.php?tid=5449612>

That is all.
