We've gotten a couple chargebacks in the past few days. From now on we're going to be more strict with who we deal with. We're going to cut down on accepting payments from third parties (ehwore users seem to do this the most). Payments must come directly from your account! My partner will be able to take on more exchanges in 8 hours or so.

If anyone has BTC or ETH they're wanting to sell, I can do 400-500 atm. Lmk!

Hey, never got a message from you. If you Dm'd the skype in the original post, that's my partner.

You can message him for exchanges :)
