(support given based on the plan you purchased)

- How much RAP can I earn in total from this?

Ranging between your effort, you'll receive up to 10k-120k in less than 3 days tops.

- Do I have to be in a certain location in order to receive limiteds?

Nope, you can do this anywhere you want.

- Can I earn money from this?

Yes, you can! With websites like rbx.market, you can definitely make money.

- How much money can I earn?

Many factors play into this role; the effort, the demand in items, and more. Nevertheless, you can receive up to 5-80\$ in less than 4 days, give or take. You can even put your play in a gambling site if you wanted to.

- Does it require any hard or mental work?

None at all, you just sit back and relax while the money comes right to you. Semi-autopilot, in fact.

- Will I be needing any initial investment?

If you've purchased the Silver package; yes, you will need at least to make up at least of a \$15 investment. If you've purchased anything higher, I got your back and I'll be covering for any strings that will help you in your run. Profit is easy here, I'm telling you this straightforward.

- Can I get a refund in the future?

Due to the contents already shared to you, there will be slim chance you're to receive a refund. Though, in good faith, if you've proved you put a decent effort into this e-book, I will pay you back every dime of what you paid for.

- Any bullshit?

I'm right there with you, everything stated in the thread is not misleading at all. You'll get what we promised you, you'll get what you paid for. - Anything less, and we won't accept it.

YOU WILL BE MENTORED, SUPPORTED, AND ASSISTED AROUND THE CLOCK, REGARDLESS OF WHAT PLAN YOU PURCHASE. WE WORK AROUND YOUR TIME, YOUR SIDE. PERIOD.

TERMS OF USE

You must wait 60 days after purchase before you request a refund.

It seems kind of silly to force someone to post a vouch on the thread, and,
