Youjo Senki

genres : military, magic : [anime details](#) | [manga details](#)

Synopsis

On the front lines of the war, there is a little girl. Blond hair, blue eyes, and porcelain white skin, she commands her squad with a lisping voice. Her name is Tanya Degurechaff.

While in reality, she is one of Japan's most elite salary-men, reborn as a little girl after angering a mysterious being who calls himself God.

This little girl, who prioritizes efficiency and her own career over anything else, will become the most dangerous being amongst the sorcerers of the imperial army.

The art looks decent for this one, however I have yet to see it. Also the concept of the MC being a man in a little girls body seems rather out there haha. May one day watch it though.

I actually really like the concept of this, caught up to the most recent episode already.

I have yet to watch it since I want to binge it but I'm hearing it is one of the best this season.

Was gonna watch it but lost interest a little under halfway in

Will probably go back to it when it's done airing if I don't forget about it
