Mr. Zachary - February 26, 2017, 10:24 am

Hi HackForums.

Since I bought L33T yesterday, I can now wear images in my signature.
And since I don't have anything to advertise for myself, I'd be nice to have your signature in mine.

Just send me a pm. ?

Best regards

Hydraxus - February 26, 2017, 10:26 am

You can wear my signature hehe. Cheers. ?

If you can put

'Castiel is the best, and Crowley is a bitch'
