Thread: [Best way to gain instagram followers?](#)

Taft - March 1, 2017, 1:15 am

Anyone know a way to do this without having to purchase them?

AnkitChuhan - March 1, 2017, 2:00 am

You should post regularly on Instagram if you would like get followers.

Comment/like on others posts related to your niche.

You could also go ahead and follow them, and unfollow them if necessary. ?

Cheers mate

Purchasing them would be the easiest way, it's not that expensive too. You can try spamming hashtags if you don't wanna buy.

Wait until a related account posts and follow everyone who likes it. You can use this to get around 1K every few days for photography niches.

If you're a girl just show some skin

Cain_ - December 5, 2017, 1:09 am

Upload nice pictures with watermark and hashtags, make contest, do shoutouts or buy real followers.

ZerFallen - December 5, 2017, 1:12 am

Be interesting enough to attract people.

Use instagram automation bots for a while (lots of them offer 3 day trials) so it likes/comments/dms

new followers/follows people in your niche.

Watermark your pics.

Use an attractive avatar & a good description.

Use hashtags.

Find accounts who do shoutouts in your niche and get big pages to shout you out.

Post GOOD content, good quality stuff that hasn't been seen too much yet.

Make a blog, link a facebook page.

There's so many ways, try downloading some e-books :)
