Thread: [Brenden's Graphics and Insults](#)

BR?ND?N - March 1, 2017, 1:16 am

I can't be fucked to make another thread design for this, so fuck it.

Brenden makes graphics. They're not the greatest, or the worst. But there is one thing Brenden is known for, he will draw or make fucking anything. Every request gives you a graphic, and an insult.

Now here are some questions people commonly ask

-Can I see your gallery?

Bitch this a free art thread, why you worried?

-Can you do thread designs

I can, but I don't want to. So no.

-Will you make something to offend other users

No. Unless it's an obvious gag or the person is a cunt.

-Do you love me?

Yes

So, leave your request below. I make the arts. [/size]
