Thread: [Brenden's Tips to Improving your HF Experience](#)

BR?ND?N - March 1, 2017, 8:52 am

Hello welcome to my tips thread. Here you can find common fucking sense things that can help you fully enjoy the site.

-Not every girl on HF is fake-

Yes I know this is hard to believe, but bear with me. Some girls actually go on HF! Maybe I'm a girl.. (maybe)

-Rep is virtually unimportant-

Time and time again people complain about rep, the issue isn't your rep. It's that you're a cunt. The only time it matters is if you're in negatives or have multiple DWC's from people who are not named LastSession.

-Stop being cunts-

While it is incredibly fun, trust me. Being a dickhead to anybody who doesn't have a fancy colored username is going to make them leave. We want new members. We want people to want to be active on HF. Not the other way around.

If you have any tips I should add let me know. Have a good day.

Lol, stopped reading when usaid "some girls are on hf"

Also HF members are just dickheads cuz they think "Uuuu i got ranks, reps gimme ur money from my ebooks"

Your lucky to find a nice helpful member who is high ranked, and dosent flame you for no fucking reason. anyway thanks for the thread, But it wont help the high ranked members to become kind.

OP isn't even an Ub3r my dude. So I'd assume not. But who in the world knows, I might be wrong. Cheers. ?

Considering I didn't say Ub3r once, I simply said colored usernames.

The answer is no.

Another tip would be to not ask everyone to do everything for you with nothing in return!

:)99% are multis though, its fun calling them out when they try to blend in and give away money for quick reps so they can exit scam. ?
