How to get a free vouch copy (fill this information out and post)

Code Why do you want to earn money online?

How old are you?

Do you have any ebooks for sale?

Skype username (This is where I will send you)

Questions & Answer:

Q: How much money am I going to make off this?

A: Well, that all depends on how much time you put into this, I would recommend 1-3 hours a day.

Q: What can I do with this package?

A: You can resell this for any price that you like, You can re sell the pdf files separately to other people (Example: People wanting to start a business) You can provide them with the pdf which will provide all the information. You can also read the ebooks yourself If you're interested.

Q: When will I receive the product?

A: Well, the file is to big to upload straight to Rocketr so once you have purchased you will receive the download link in your email & then can start downloading!

Q: If I need help setting up the websites etc will you help me?

A: Yes, I will provide you with support and help to set up.

Q: Is this an Auto-Pilot method?

A: No this is not.

Terms of Service:

- U got it mate :)

EDIT: Tried this method out! Turns out to be a really good ebook, and HQ user as well. Helps out a lot, and explains everything. Even help you getting started if necessary.

Can definitely vouch for both the ebook and HFEthann !!! ?

I think it's targeting beginners, but even though I'm an advanced user I found some of the info really useful.

Great book and the price is a steal!
