Thread: [\[Selling\] Jailbroken PlayStation 3 - Includes 6 Games - 120GB \(CECH200\)](#)

CASTIEL - March 3, 2017, 9:33 am

I am selling my jailbroken playstation 3, I am only accepting bitcoin, and I will only ship in the united states. You will pay/go first, and if you do not trust me, a middleman will be used.

Pictures can be shown if you are interested in buying. If you have any questions feel free to PM me also any negotiations can be dealt with VIA PM.

PAYPAL IS ALSO AN OPTION TO TRUSTED MEMBERS ONLY

Information:

The console is used, and has minor scuffs and markings.

The console is currently console banned (cost \$15-20 for a new console ID).

One USB port works (one closest to the disk tray) (USB Hub included to expand ports)

The basic jailbreak tools are installed (Multiman, CCAPPI, etc)

The controller is heavily used, and is damaged but still functions as normal.

What is included:

1x 4.70 DEX Jailbroken PS3 (120GB)

1x HDMI Cable

1x Power Cable

1x USB Hub

1x Gold Playstaion Controller

1x Controller Charger

6x Games (GTA 5, BO1, BO2, MW2, MW3, W@W)

Payment Method:

Bitcoin

Price:

PM For pricing
