Thread: [ESET AV 70%off + Free Game](#)

**ohxerxe** - March 4, 2017, 7:36 am

Newegg is offering a promo code to get 70% off ESET. When I went to test the code it added for free FarCry Primal for PC

Code:EMCRDRE23

(can also be used to get a hefty discount on NETGEAR R6400-100NAS AC1750 Smart Wi-Fi Dual Band Gigabit Router)

Deal expires at 11:59PM PT on Sunday, 03/05/2017

I think the game was with the ESET NOD32. I think you got a different version well atleast you got something free.
