Have you got resale rights for all ebooks and can you prove it? It would be nice to know all ebooks in there

This is not reviewed by the way. You should remove it from title

**c12z12** - July 21, 2010, 5:58 am

Ok Yea i Bought It from someone and he mentioned the resale rights in the ebooks too . I am 100% legit if there is any problem just contact me . Hope u may buy it :)

Regards

What's with the fake title? This isnt even vouched nor reviewed.

**P?r?more** - July 21, 2010, 10:33 am

Please change your title, and also state the original authors of these e-books.
