Thread: [Made \\$4000+ from an online business](#)

Instill - March 5, 2017, 4:53 pm

Well, I have been recently increasing my revenue on my business as you may tell from the following picture : <http://prntscr.com/eghpp1>

Made about \$4,000 in the span of 2 months, but you know that is pretty good for a teenager that really doesn't have much to spend it on.

Syphonite - March 5, 2017, 4:55 pm

May i ask what your business is based on?

Youtube Comments - March 5, 2017, 4:55 pm

Yeah thats amazing earnings man, keep it up

TRAUMA - March 5, 2017, 4:56 pm

That's nice man! I'm 16 and just opened mine a couple of weeks ago, making around \$6,000 a month currently.

I should be predicted to hit \$10,000 by the end of summer.

Remember! JUST KEEP GRINDING!

Just PM'ed the following with more of an in-depth analysis of my online business.

To clarify, I do not do this for a living; I am a teenager. I use this money primarily for saving up for a rainy day, or college. :)

lujoseph6 - March 8, 2017, 3:19 pm

nice job! i have a shop selling fidget spinners + cubes i started a few weeks ago and i've earned \$400 so far :) its starting to lose popularity though so i need to find a new trend.
