Tide project is really ugly to be honest 2/10

Template one is looking decent 6/10

Rock Graphics Thread Design not liking it 4/10

Sneaker snatcher = 4/10

What is see is you're using MEH fonts and making them too big.

It's not that bad, looks like beginner work though. You're on the right track I assume, so don't get discouraged.

Also change the font, ugly af.
