Free thread design

I'm in a good mood today and that's why I will be giving away a thread design I worked on. I'm not the best in Photoshopping but I think this looks quite professional compared to my other shitty designs.

Spoiler [\(Click to View\)](#)

To obtain this, send me a private message and I will get you the .psd file.

Replied to all private messages.

Time to sleep, will answer all remaining PM's in the morning.
