Damn, just bought BTC to buy something earlier around this amount too. Missed out on a great deal.

Good luck selling this OP.

I'll buy \$260. Send me a PM if you want to do this.

Already completed \$400 worth for OP. Think he said he needs \$20 more though

PLEASE READ THIS.

ALWAYS CHECK THE TRADERS TS.

Make sure they're using a Verified account and send as Friends and family! Make sure the sender sends BTC with the note "Im sending this to YOUR NAME Your Email and i have confirmed this is the accurate email and not a typo." (it makes it harder to chargeback)

DO NOT send BTC before receiving paypal.

BTC is impossible to recover, paypal has a small chance.

Please trade safely and stay safe buddy.

Glws.

Also you should trade at a higher price. you can easily get 5% more. Meaning thats an extra \$20.
